Release 100

Professional Strength Concrete Release Agent

Description:

Release 100 is a professional strength formula that sprays on to keep concrete, grout and other concrete materials from sticking to equipment surfaces. Release 100 is specially formulated for use on all concrete equipment such as concrete boom pumps, line trucks, portable concrete pumps, cement mixers, screeds, forms, tools and other surfaces. It is the ideal product for concrete contractors, Ready-Mix contractors, sidewalk and pool installers, and other concrete

industry trade workers. Release 100 inhibits concrete from adhering to surfaces and is safer and more economical to use than other remedies.

Advantages:

- *Eco-friendly composition*
- *Protects your investment in expensive capital equipment*
- *Broad range of applications and surface treatments*
- *More economical than other alternative products*

Directions:

Can be applied with any sprayer. Spray on surface prior to concrete work. Rinse off concrete splatter and soils within 24 hours.

WARNINGS: Keep out of reach of children. May cause skin and eye irritation. Harmful if swallowed. Avoid contact with skin and eyes. Keep container tightly closed when not in use. Store in a cool, dry area away from sources of heat.

FIRST AID: In case of contact, flush with plenty of water for 15 minutes. If irritation persists, seek medical attention. If swallowed, drink two or three glasses of water or milk and seek medical attention. Do not induce vomiting without the advice of a physician.

Packaging:

5 gallon pails / 55 gallon drums / 275 gallon totes
